to either Horse or Steam power, occasioning little or no increased draft, is readily understood, simple in operation, not liable to get out of order, and will pay for itself in less than ten days work.

Manufactured and sold by Allison Brothers, Memphis, Tenn. Send for Circulars and Price list II

Rend what is said of the "C. C. C." by three who have fully tested it: FRIARS POINT, MISSISSIPPI, July 20, 1876. GESSES. ALLISON BROTHERS, Memphis. Tenn.: desire. Allison Brothers, Memphis. Tenn.:

Gentlemen—I have, during the past season, had in successful operation the "C. C. C." urchased of you. I am greatly pleased with it, and consider it an absolutely indispensable machine in every gun-house. All its daims have been fully sustained, and I think you have not, in the least, exagerated its merits. It certainly takes all the dust and dirt one of cotton, awing it in a beautiful condition for the work of the gins. Its most apparent benefit is, of course, upon the lower grades, but I believe it will very much enhance the quality of all cotton—the firs. As well as the last pickings. Yours, truly.
